

## The Knightsbridge School Education Foundation Awards

The Knightsbridge School Education Foundation (KSEF) is offering at least one bursary or scholarship, up to 100% of fees, to a boy or girl to attend Knightsbridge School in Year Seven from September 2021 for two years until July 2023 or, if good progress is being made, until July 2026 at the end of Year 11, the GCSE year. The expectation is that the boy or girl will go on to a senior independent school at the age of 13 or at the age of 16. This will be the tenth year of the KSEF Awards and the Trustees are very keen that as many candidates as possible apply.

There must be a strong case given of financial need and all prospective candidate families will be required to fill in a Means Test Form. It is very important that a successful candidate offers excellence, skills and attributes which will help ensure that he or she can thrive at Knightsbridge School or go on to senior school and win another bursary or scholarship. It is expected that applicants for a KSEF Award will come from the Borough of Kensington and Chelsea, although candidates outside will be considered as well.

The deadline for applications from within or near the Borough is **10 December 2020**. Candidates will be invited to Knightsbridge School for an Entry Test on **in January 2021, the date and timetable of the assessment day will be confirmed later this year**. A decision will be made by the Trustees by **12th February 2021**. There will be tests in Maths and English and there will be a non-verbal IQ Test, together with an interview. The Trustees may well consider additional candidates after this date.

Parents are asked to write to the school for further details and visit the KSEF website [www.ksfoundation.org](http://www.ksfoundation.org). For an application form, please ask your school office or write to:
